Director's Notes:

Name: _____

Please include all schedule conflicts below. For example, writing "3:45 – 5" indicates you cannot attend rehearsal during that time block. This is especially important for conflicts from extended holidays to help us determine whether to hold rehearsal. Except in unusual circumstances, conflicts will not affect the role offered. All students are expected to attend an audition slot, dance audition, acting/singing callbacks for the portion they are called, read-through, and all rehearsals for which they are called. There are no rehearsals on the dates marked with an "X" and schedule conflicts are not permitted beginning January 7.

If there are no schedule conflicts, please check this box
