Instructions and Application Form 2018-19

PTA Men's Essay Contest - Men Making a Difference

This state-wide essay contest explores the important and varied contributions that men make in the lives and education of children – from our children's perspective. All men involved in a child's life—fathers, uncles, grandfathers, brothers, step-fathers, mentors, neighbors, pastors, coaches and friends – impact the children they care about. Research clearly shows that male involvement positively influences academic success at all levels of schooling—preschool through college. When male figures are involved with student's schooling, they enjoy school more and perform better in and out of school. This contest has multiple age divisions and reaches out to every local PTA, council, region and ultimately every family in our state.
